This document is for the sole purpose of providing information related to Athene Annuity Re Ltd. ("AARE") and its subsidiaries for the benefit of certain rating agency analyses on the economic position of certain legal entities in the Athene Holding Ltd. consolidated group. The tables below are presented on a strictly notional basis, are not based on generally accepted accounting principles or any other accounting principles that AARE is subject to as a Bermuda reinsurance company, and are not intended for, and should not be used for any regulatory, investment, or other unrelated purpose. - Surplus capital is allocated on a pro-rata basis based on total reserves (notwithstanding that some isolated capital may already be associated with some reserves)
- Net income is applied to the entity to which the income is earned for the current year
- Surplus net income is allocated on a pro-rata basis based on total reserves
