"This increase reflects the Board's confidence in our financial strength and our ability to consistently generate strong cash flows over a long period of time, even through the economic downturn and now as we are in the early phase of a recovery," said Tim Pistell, Executive Vice President - Finance and Administration and Chief Financial Officer. "This is the third dividend increase we have implemented this calendar year demonstrating our commitment to strong returns for our shareholders. Our performance in the first quarter of fiscal 2011 is evidence that we continue to improve the financial performance of the company. We reported record earnings per diluted share, record total segment operating margins and continued to produce strong operating cash flow."

With annual sales of \$10 billion in fiscal year 2010, Parker Hannifin is the world's leading diversified manufacturer of motion and control technologies and systems, providing precision-engineered solutions for a wide variety of mobile, industrial and aerospace markets. The company employs approximately 55,000 people in 46 countries around the world. Parker has increased its annual dividends paid to shareholders for 54 consecutive fiscal years, among the top five longest-running dividend-increase records in the S&P 500 index.
