About The Lovesac Company

Based in Stamford, Connecticut, The Lovesac Company is a technology driven company that designs, manufactures and sells unique, high quality furniture derived through its proprietary Designed for Life approach which results in products that are built to last a lifetime and designed to evolve as our customers’ lives do. The current product offering is comprised of modular couches called Sactionals, premium foam beanbag chairs called Sacs, and the Sactionals StealthTech Sound + Charge System. As a recipient of Repreve's 5th Annual Champions of Sustainability, responsible production and innovation are at the center of the brand's design philosophy with products protected by a robust portfolio of utility patents. Products are marketed and sold primarily online directly at www.lovesac.com, supported by direct-to-consumer touch-feel points in the form of our own showrooms as well as through shop-in-shops and pop-up-shops with third party retailers. In 2022, Lovesac was recognized by Furniture Today within the 'fastest growing' category, and as an honoree for Serendipity's Design Market. LOVESAC is a trademark of The Lovesac Company and is Registered in U.S. Patent and Trademark Office.
