About RHK Capital:

Advisory Group Equity Services, Ltd. (dba RHK Capital) was founded in 1984. RHK Capital is a boutique investment banking firm specializing in small to medium-sized transactions. RHK is led by a management team with extensive financial industry experience and a desire to provide companies and individuals with the tools and expertise to accomplish their financial goals. In addition to investment banking, RHK has grown to include businesses in general securities, emerging market securities, distressed and high yield debt securities, investment management, mortgages, and business lending. As a division of Advisory Group Equity Services (AGES), all securities are offered through Advisory Group Equity Services Ltd., a registered broker-dealer, member of the Financial Industry Regulatory Authority and the Securities Investor Protection Corporation.

About ReedSmith:

Reed Smith is a dynamic international law firm dedicated to helping clients move their businesses forward. Our long-standing relationships and international outlook make us the go-to partner for speedy resolution of complex transactions, disputes and regulatory matters. At Reed Smith, we believe that the practice of law has the ability to drive progress. We know your time is valuable and your matters are important. We are focused on outcomes, are highly collaborative, and have deep industry insight that, when coupled with our local market knowledge, allows us to anticipate and address your needs. You deserve purposeful, highly engaged client service that drives progress for your business.

About ITUS Corporation

[ITUS](#), a cancer-focused biotechnology company, is harnessing the body's immune system in the fight against cancer. Its wholly owned subsidiary, Anixa Diagnostics Corporation, is developing the Cchek™ platform, a series of non-invasive blood tests for the early detection of solid tumor based cancers, which is based on the body's immunological response to the presence of a malignancy. Its majority owned subsidiary, Certainty Therapeutics, Inc., is developing CAR-T based immuno-therapy drugs which genetically engineer a patient's own immune cells to fight cancer. ITUS also continually examines emerging technologies in complementary or related fields for further development and commercialization. Additional information is available at www.ITUScorp.com.

Forward-Looking Statements: Statements that are not historical fact may be considered forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are not statements of historical facts, but rather reflect ITUS Corporation's current expectations concerning future events and results. We generally use the words "believes," "expects," "intends," "plans," "anticipates," "likely," "will" and similar expressions to identify forward-looking statements. Such forward-looking statements, including those concerning our expectations, involve risks, uncertainties and other factors, some of which are beyond our control, which may cause our actual results, performance or achievements, or industry results, to be materially different from any future results, performance, or achievements expressed or implied by such forward-looking statements. These risks, uncertainties and factors include, but are not limited to, those factors set forth in "Item 1A - Risk Factors" and other sections of our most recent Annual Report on Form 10-K as well as in our Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law. You are cautioned not to unduly rely on such forward-looking statements when evaluating the information presented in this press release.
