Red Robin Named to AllergyEats' Top 10 Most Allergy-Friendly Restaurant Chains in America

The Gourmet Burger Authority™ Featured on Prestigious List for the Fifth Consecutive Year

GREENWOOD VILLAGE, Colo., March 8, 2017 /PRNewswire/ --[Red Robin Gourmet Burgers and Brews](#) (Red Robin) strives to deliver the same great burger experience to all guests, no matter the circumstances. The Gourmet Burger Authority's relentless effort to provide guests with the freedom to substitute any of its menu items for allergen-friendly offerings has earned the casual dining restaurant chain its fifth consecutive spot on AllergyEats' annual list of "Top 10 Most Allergy-Friendly Restaurant Chains in America." AllergyEats is the leading guide to food allergy-friendly restaurants across the United States.

"We are very fortunate to be in a position that allows us to provide guests' with a customized experience each and every time they walk into one of our restaurants," said Jonathan Muhtar, senior vice president and chief marketing officer at Red Robin. "Our guests enjoy the freedom to satisfy their cravings for delicious burger, while meeting their allergy needs with ease. Making AllergyEats' Top 10 list yet again is a testament to the hard work and dedication of our culinary team and restaurant team members nationwide."

Red Robin's continued recognition as a leading restaurant for food-allergy conscious guests is a result of putting the decision-making solely in the guests' hands. By empowering and encouraging guests to freely customize all menu items, guests can choose to tailor their meal based on taste preferences, nutritional goals and dietary restrictions. All Red Robin team members are trained to follow a set of step-by-step guidelines to ensure food safety once notified of a food allergy. As part of these guidelines, the kitchen staff is instructed to

prepare the order using a special allergen kit, which includes specific tools that are only used for allergen orders.
