Relmada Therapeutics Announces Pricing of \$100 Million Underwritten Offering of Common Stock and Pre-Funded Warrants

CORAL GABLES, Fla., Nov. 04, 2025 (GLOBE NEWSWIRE) -- Relmada Therapeutics, Inc. (Nasdaq: RLMD, "Relmada" or the "Company"), a clinical-stage biotechnology company advancing innovative therapies for oncology and central nervous system indications, today announced the pricing of its underwritten offering of 40,142,000 shares of its common stock and, in lieu of common stock to certain investors, pre-funded warrants to purchase up to 5,315,000 shares of common stock. The shares of common stock are being sold at an offering price of \$2.20 per share, and the pre-funded warrants are being sold at an offering price of \$2.199 per pre-funded warrant, which represents the per share offering price for the common stock less the \$0.001 per share exercise price for each such pre-funded warrant. The gross proceeds to Relmada from the offering, before deducting underwriting discounts and commissions and other expenses payable by Relmada, and excluding the exercise of any pre-funded warrants, are expected to be approximately \$100 million. The offering is expected to close on November 5, 2025, subject to customary closing conditions. Investors in the offering included Janus Henderson Investors, Ferring Ventures SA, Squadron Capital Management, Marshall Wace, Spruce Street Capital, OrbiMed, Columbia Threadneedle Investments and Driehaus Capital Management.

Jefferies and Leerink Partners are acting as joint book-running managers for the offering. Mizuho is acting as book-runner for the offering.

Relmada intends to use the net proceeds from the offering, together with existing cash, cash equivalents, and short-term investments, for working capital and general corporate purposes, which includes, without limitation, clinical studies required to gain regulatory approvals, implementation of adequate systems and controls to allow for regulatory approvals, further development of its product candidates, investing in or acquiring companies that are synergistic with or complementary to its technologies, licensing activities related to its current and future product candidates, the development of emerging technologies, investing in or acquiring companies that are developing emerging technologies, licensing activities, or the acquisition of other businesses.

The securities described above were offered by Relmada pursuant to a shelf registration statement on Form S-3, including a base prospectus, that was declared effective by the Securities and Exchange Commission ("SEC") on September 12, 2024. A final prospectus supplement describing the terms of the offering will be filed with the SEC.
