Sidus CEO and Founder, Carol Craig, to Participate in Department of Commerce Women in Space Panel Discussion on March 27, 2024

CAPE CANAVERAL, Fla.--(BUSINESS WIRE)-- Sidus Space, Inc. (NASDAQ: SIDU) (the "Company" or "Sidus"), a multi-faceted Space and Data-as-a-Service satellite company, today announced that the Company's CEO and Founder, Carol Craig, will participate in the Women in Space panel discussion at the Department of Commerce on March 27, 2024 from 10:00-11:00 a.m. ET.

The Women in Space event is being held in recognition of Women's History Month and the significant achievements made by women in the space industry. The event will feature a panel of women leaders, entrepreneurs, and policy experts driving change in the commercial space industry and will highlight the significant achievements and contributions made by women.

About Sidus Space

Sidus Space (NASDAQ: SIDU) is a multi-faceted Space and Data-as-a-Service satellite company focused on mission-critical hardware manufacturing; multi-disciplinary engineering services; satellite design, production, launch planning, mission operations; and in-orbit support. The Company is in Cape Canaveral, Florida, where it operates from a 35,000-square-foot manufacturing, assembly, integration, and testing facility focused on vertically integrated Space-as-a-Service solutions including end-to-end satellite support.

Sidus Space has a mission of Bringing Space Down to Earth™ and a vision of enabling space flight heritage status for new technologies while delivering data and predictive analytics to domestic and global customers. More than just a "Satellite-as-a-Service" provider, Sidus Space's products and services are offered through its four business units: Space and Defense Hardware Manufacturing, Satellite Manufacturing and Payload Integration, Space-Based Data Solutions, and AI/ML Products and Services to support customers from concept to Low Earth Orbit and beyond. Sidus Space is ISO 9001:2015, AS9100 Rev. D certified, and ITAR registered.
