## Company Profile for Clearfield, Inc.

Clearfield, Inc., (Nasdaq: CLFD) formerly APA Cables & Networks, reduces the cost of broadband deployment in FTTH networks through an industry-leading fiber management platform. The FieldSmart fiber management platform, which includes its latest generation Fiber Distribution System (FDS) and Fiber Scalability Center (FSC) reduce operating and capital equipment expenditures through superior density, fiber protection and access. More information about Clearfield, Inc., its products and people can be found at <http://www.ClearfieldConnection.com>.
