Hercules Capital Reaches \$8.0 Billion Milestone in Total Debt Commitments Since 2003

This origination milestone is the result of Hercules' successful work with more than 1,000 venture capital partners and 430 innovative companies and entrepreneurs they invest in, combined with Hercules' world-class team of investment professionals

PALO ALTO, Calif.--(BUSINESS WIRE)-- [Hercules Capital, Inc.](#) (NYSE: HTGC) ("Hercules" or the "Company"), the leading specialty financing provider to innovative venture growth stage companies backed by leading venture capital and private equity firms, today announced that it has originated more than \$8.0 billion in total debt commitments since the Company's inception in December 2003.

"The achievement of this investment milestone illustrates the significance of Hercules' scale, focus and market leadership position as the largest Business Development Company ("BDC") in the venture debt space," said Manuel A. Henriquez, chairman and chief executive officer of Hercules Capital. "Our success on this front is attributable to our world-class investment team who are able to identify some of the most innovative, disruptive and promising companies in our core sectors. Most importantly, they do this while still maintaining our strict underwriting standards and this unwavering discipline has limited cumulative realized losses to just 0.54 percent of total commitments since inception. This has enabled us to continue to grow and increase shareholder value."
