

## COMPANY OVERVIEW

Provision Interactive Technologies, Inc., a subsidiary of the publicly traded company Provision Holding, Inc. (OTCQB:PVHO), is the leading purveyor of intelligent interactive 3D holographic display technologies, software, and integrated solutions for both commercial and consumer focused applications.

Provision's 3D holographic display systems represent a revolutionary technology that provides the projection of full color, high-resolution videos into space detached from the screen, without any special glasses. Provision is currently the market leader in true 3D consumer advertising display products being implemented by innovative, consumer-focused companies.

Provision Holding, Inc. (OTCQB:PVHO) trades on the OTCQB venture stage marketplace for early stage and developing U.S. and international companies.
