MIAMI, June 27, 2023 /PRNewswire/ -- [Oceania Cruises](#), the world's leading culinary- and destination-focused cruise line, will offer its guests *simply* MORE™ than ever before, with free roundtrip airfare, free airport transfers, free shore excursions and a free beverage package for all guests, for all new reservations beginning July 1, 2023, for sailings departing October 1, 2023, or later. Created to elevate the guest experience, the newly unveiled value promise has been designed to create long-lasting memories in enticing destinations and provide access to exquisite indulgences.

The brand's new *simply* MORE value promise means travelers receive the greatest value in luxury cruising, with virtually everything they desire included in their voyage fare: a hassle-free arrival and departure with free roundtrip airfare and free airport transfers; more unforgettable travel experiences with a generous shore excursion credit of up to \$1,600 per stateroom to be spent on tours of their choice; and more occasions to celebrate with a comprehensive beverage package available during lunch and dinner featuring dozens of vintage Champagnes, premium wines and international beers to choose from.

The extraordinary new level of inclusions sits alongside the line's always included amenities: gourmet dining featuring The Finest Cuisine at Sea® with no reservation fee or cover charge

at specialty restaurants; fine teas and coffees, soft drinks and still and sparkling Vero Water®; 24-hour room service; unlimited WiFi; and fitness classes.

"Thanks to the launch of *simply* MORE, our guests will enjoy even more value, more choice and more convenience than ever before," said Frank A. Del Rio, President of Oceania Cruises. "Over the past 20 years, we have continued to adapt and evolve to the wants and needs of our valued trade partners and guests. We are always seeking to enhance the Oceania Cruises experience and raise the bar in offering the best value in luxury cruising. So, we asked our key audiences, guests and travel partners, what they wanted, and that was simplicity, choice and value. Through our new *simply* MORE value promise, they now have all three.

"For me, the cornerstone of this exciting new value promise is the generous credit offered to every guest to be spent on shore excursions of their choice. Oceania Cruises is renowned for our imaginative and immersive itineraries, journeying to every part of the globe, which are enhanced even further by our industry-leading array of enriching adventures ashore."

Oceania Cruises offers more than 8,000 immersive, educational and unique tour choices in its 600-plus ports of call. Travelers can choose to explore iconic bustling cities, lesser-known gems and tranquil islands in the same sailing thanks to the line's destination-intensive itineraries.

Del Rio continued: "The *simply* MORE shore excursion credit can be applied to any and all of our tours, from witnessing an active volcano from a helicopter in Montserrat and learning how to tend and herd sheep at a shepherd school in Northern Spain on one of our Go Local tours to enjoying an insider's view of iconic modernistic buildings in the Finnish capital of Helsinki on a Beyond Blueprints excursion, which takes travelers behind the scenes of landmark buildings with an architectural guide."

Shore excursion credit amounts vary by voyage length, from \$600 per stateroom for an itinerary of seven to nine days, to \$1,600 per stateroom on sailings of 31 to 35 days. The credit may be redeemed against all excursions, offering unparalleled destination experiences including Food & Wine Trails Tours and Culinary Discovery Tours™ crafted for culinary connoisseurs, sustainability-focused Go Green Tours as well as luxurious excursions with a private car and driver, to name a few.

The new *simply* MORE value promise, which replaces *OLife Choice*, includes a generous beverage package featuring free premium-label Champagnes and wines, and more than 20 American and international beers, during lunch and dinner.

"Our guests appreciate fine food and fine wine, and we have always included all gourmet specialty dining. Now we are thrilled to be able to offer them a generous array of wines – not just house pours – to choose from, plus Champagnes and beers to enjoy too. With over three dozen wine choices on offer, and a broad range of beers as well as premium-label sparkling wines and Champagnes, there is something to suit every palate," said Del Rio.
