#### QUALITY CERTIFICATIONS

CADRE HOLDINGS is committed to the support and maintenance of a continually improving world-class quality management system. Individual ownership of processes by every The Safariland Group associate ensures its effectiveness. Our commitment to our customers is uncompromising because their lives depend upon our excellent products and services.

JACKSONVILLE, FLORIDA

Our Jacksonville, Florida facilities manufacture and distribute a wide array of body armor / ballistic protection, holsters, forensics and firearm accessory products. This includes concealable armor, tactical armor and holsters under the Safariland brand; and firearms accessories products under the Break Free®, KleenBore® and Rogers™ brands. One of our Jacksonville facilities also produces industry-leading CSI equipment and supplies marketed under the Forensics Source™ umbrella and built upon our well-known product lines of NIK® Public Safety, Lightning Powder®, Identifier® and EVI-PAQ®. Forensics Source products are featured in many TV shows including CSI, The Good Wife, Bones, Forensics Files, and First 24.
