CareCloud to Participate in Piper Jaffray Technology, Media & Telecommunications Conference

CareCloud CEO to Take Part in "Healthcare in the Cloud" Panel to Discuss the Growing Impact of Cloud-based Technologies in Healthcare

MIAMI--(BUSINESS WIRE)-- [CareCloud](#), a leading provider of [cloud-based practice management](#), [electronic health records \(EHR\)](#), and [medical billing](#) software and services, today announced it will take part in the Piper Jaffray Technology, Media & Telecommunication Conference and its "Healthcare in the Cloud" panel being held Wednesday, March 13th, 2013 from 11:00 a.m. to 12 noon EDT at the Le Parker Meridien Hotel in New York City.

CareCloud's Chairman and CEO, Albert Santalo, will join executives from athenahealth, Inc (Nasdaq: ATHN) and Medidata Solutions, Inc. (Nasdaq: MSDO) to discuss the growing role cloud-based technologies are having in healthcare and emerging trends. Sean Wieland, Managing Director and a Senior Research Analyst at Piper Jaffray where he focuses on healthcare information technology and healthcare services, will moderate the panel.

Conference and Panel Details:

When: Panel "Healthcare in the Cloud" - Wednesday, March 13, 2013
11:00 AM – EDT

Where: Le Parker Meridien
119 West 56th Street
New York, NY 10019

This session will not be webcast.

About CareCloud

CareCloud is a leading provider of cloud-based practice management, electronic health record (EHR) and medical billing software and services for medical groups. The company's products are connecting providers to one another – and to their patients – through a fully integrated digital healthcare ecosystem that can be accessed on any browser or device.

CareCloud is helping thousands of providers increase collections, streamline operations and improve patient care in more than 45 states. The company received over \$20 million in Series A funding from Intel Capital and Norwest Venture Partners in 2011. To learn more about CareCloud, please visit www.carecloud.com.
