

**SOMERSET, N.J., March 21, 2023 (GLOBE NEWSWIRE) --**[CareCloud, Inc.](#) (Nasdaq: CCLD, CCLDP, CCLDO), a leader in healthcare technology solutions for medical practices and health systems nationwide, announced it will showcase its innovative suite of digital health solutions in booth 537 at the American Medical Group Association (AMGA) Annual Conference from March 28-31 in Chicago.

CareCloud's Karl Johnson, who will be in CareCloud's booth at the conference, highlighted the potential benefits of offering chronic care management and remote patient monitoring services. "These powerful digital health services are often covered by Medicare and some private insurers, which can provide a new revenue stream for medical practices. Additionally, they can improve the quality of care and patient outcomes, leading to increased patient satisfaction and referrals. By reducing the need for in-person visits and associated costs, medical practices can attract more patients and improve their financial performance and reputation."
