BioSig to Webcast its Presentation at the Cowen and Company's 40th Annual Health Care Conference

Westport, CT, March 03, 2020 (GLOBE NEWSWIRE) -- BioSig Technologies, Inc. (NASDAQ: BSGM) ("BioSig" or the "Company"), a medical technology company commercializing a proprietary biomedical signal processing platform designed to improve signal fidelity and uncover the full range of ECG and intra-cardiac signals, today announced that the Company will be presenting at the Cowen and Company's 40th Annual Health Care Conference. The Conference is being held on March 2-4, 2020 at the Boston Marriott Copley Place in Boston, Massachusetts.

Kenneth L. Londoner, Chairman and CEO of BioSig Technologies, Inc. will be presenting an overview of the Company as well as recent developments and key highlights, including [successfully completing 100 patient cases](#) with its PURE EP(tm) System, and its recent participation at the [25th Annual International AF Symposium](#).

The BioSig presentation will take place on Wednesday, March 4, 2020 at 8:00-8:30 AM in the Orleans, 4th Floor. Mr. Londoner will also be available for one-on-one meetings with investors on Wednesday, March 4th. To schedule a one-on-one meeting, please contact Andrew Ballou, Vice President, Investor Relations at aballou@biosigtech.com.

The BioSig presentation will also be webcast live. The webcast will be archived for 120 days following the live presentation. To view the webcast please use this link: <http://wsw.com/webcast/cowen57/bsgm/>

About BioSig Technologies

BioSig Technologies is a medical technology company commercializing a proprietary biomedical signal processing platform designed to improve the electrophysiology (EP) marketplace (www.biosig.com).

The Company's first product, PURE EP(tm) System is a computerized system intended for

acquiring, digitizing, amplifying, filtering, measuring and calculating, displaying, recording and storing of electrocardiographic and intracardiac signals for patients undergoing electrophysiology (EP) procedures in an EP laboratory.

Forward-looking Statements

This press release contains “forward-looking statements.” Such statements may be preceded by the words “intends,” “may,” “will,” “plans,” “expects,” “anticipates,” “projects,” “predicts,” “estimates,” “aims,” “believes,” “hopes,” “potential” or similar words. Forward-looking statements are not guarantees of future performance, are based on certain assumptions and are subject to various known and unknown risks and uncertainties, many of which are beyond the Company’s control, and cannot be predicted or quantified and consequently, actual results may differ materially from those expressed or implied by such forward-looking statements. Such risks and uncertainties include, without limitation, risks and uncertainties associated with (i) our inability to manufacture our products and product candidates on a commercial scale on our own, or in collaboration with third parties; (ii) difficulties in obtaining financing on commercially reasonable terms; (iii) changes in the size and nature of our competition; (iv) loss of one or more key executives or scientists; and (v) difficulties in securing regulatory approval to market our products and product candidates. More detailed information about the Company and the risk factors that may affect the realization of forward-looking statements is set forth in the Company’s filings with the Securities and Exchange Commission (SEC), including the Company’s Annual Report on Form 10-K and its Quarterly Reports on Form 10-Q. Investors and security holders are urged to read these documents free of charge on the SEC’s website at <http://www.sec.gov>. The Company assumes no obligation to publicly update or revise its forward-looking statements as a result of new information, future events or otherwise.
