PAVmed to Hold a Business Update Conference Call and Webcast on March 15, 2023

Conference Call and Webcast at 8:30AM Eastern Time

NEW YORK, March 3, 2023 /PRNewswire/ -- [PAVmed Inc.](#) (Nasdaq: PAVM, PAVMZ) ("PAVmed" or the "Company"), a diversified commercial-stage medical technology company, operating in the medical device, diagnostics, and digital health sectors, today announced that it will host a business update conference call and webcast on Wednesday, March 15, 2023, at 8:30 AM EST. During the call, [Lishan Aklog, M.D.](#), PAVmed's Chairman and Chief Executive Officer, will provide a business update including an overview of the Company's operations and growth strategy. In addition, [Dennis McGrath](#), PAVmed's President and Chief Financial Officer, will discuss the Company's fourth-quarter 2022 financial results.

The webcast will be available at the investor relations section of the Company's website at pavmed.com. Alternatively, to access the conference call by telephone, U.S.-based callers should dial 877-550-1858 and international listeners should dial 1-848-488-9160. All listeners should provide the operator with the conference call name "PAVmed, Inc. Business Update Conference Call" to join.

Following the conclusion of the conference call, a replay will be available for 30 days on the investor relations section of the Company's website at pavmed.com.

About PAVmed

PAVmed Inc. is a diversified commercial-stage medical technology company operating in the medical device, diagnostics, and digital health sectors. Its majority-owned subsidiary, Lucid Diagnostics Inc. (Nasdaq: LUCD), is a commercial-stage cancer prevention medical diagnostics company that markets the EsoGuard[®] Esophageal DNA Test and EsoCheck[®] Esophageal Cell Collection Device—the first and only commercial tools for widespread early detection of esophageal precancer to prevent esophageal cancer deaths. Its other majority-owned subsidiary, Veris Health Inc., is a digital health company focused on enhanced personalized cancer care through remote patient monitoring using implantable biologic sensors with wireless communication along with a custom suite of connected external devices. Veris is concurrently developing an implantable physiological monitor, designed to be implanted alongside a chemotherapy port, which will interface with

the Veris Cancer Care Platform.

Forward-Looking Statements

This press release includes forward-looking statements that involve risk and uncertainties. Forward-looking statements are any statements that are not historical facts. Such forward-looking statements, which are based upon the current beliefs and expectations of PAVmed's management, are subject to risks and uncertainties, which could cause actual results to differ from the forward-looking statements. Risks and uncertainties that may cause such differences include, among other things, volatility in the price of PAVmed's common stock; general economic and market conditions; the uncertainties inherent in research and development, including the cost and time required to advance PAVmed's products to regulatory submission; whether regulatory authorities will be satisfied with the design of and results from PAVmed's clinical and preclinical studies; whether and when PAVmed's products are cleared by regulatory authorities; market acceptance of PAVmed's products once cleared and commercialized; PAVmed's ability to raise additional funding as needed; and other competitive developments. In addition, PAVmed has been monitoring the COVID-19 pandemic and the pandemic's impact on PAVmed's businesses. These factors are difficult or impossible to predict accurately and many of them are beyond PAVmed's control. In addition, new risks and uncertainties may arise from time to time and are difficult to predict. For a further list and description of these and other important risks and uncertainties that may affect PAVmed's future operations, see Part I, Item 1A, "Risk Factors," in PAVmed's most recent Annual Report on Form 10-K filed with the Securities and Exchange Commission, as the same may be updated in Part II, Item 1A, "Risk Factors" in any Quarterly Report on Form 10-Q filed by PAVmed after its most recent Annual Report. PAVmed disclaims any intention or obligation to publicly update or revise any forward-looking statement to reflect any change in its expectations or in events, conditions, or circumstances on which those expectations may be based, or that may affect the likelihood that actual results will differ from those contained in the forward-looking statements.
