DISCLOSURES

Rent Coverage Ratio

For purposes of calculating our portfolio weighted-average EBITDARM coverage ratio ("Rent Coverage Ratio"), we excluded credit-rated tenants or their subsidiaries for which financial statements were either not available or not sufficiently detailed. These ratios are based on latest available information only. Most tenant financial statements are unaudited and we have not independently verified any tenant financial information (audited or unaudited) and, therefore, we cannot assure you that such information is accurate or complete. Certain other tenants (approximately 20% of our portfolio) are excluded from the calculation due to (i) lack of available financial information or (ii) small tenant size. Additionally, included within 20% of non-reporting tenants is Pipeline Healthcare, LLC, which filed for Chapter 11 bankruptcy protection in October of 2022. Additionally, our Rent Coverage Ratio adds back physician distributions and compensation. Management believes all adjustments are reasonable and necessary.
