Genmega and Bitcoin Depot Join Forces

Bitcoin ATM partnership provides best-in-industry experience and benefits

ATLANTA, Jan. 27, 2021 /PRNewswire/ -- Genmega and [Bitcoin Depot](#) announced today they have joined forces to provide the industry's premier solution for Bitcoin ATMs. Unprecedented growth for bitcoin and other cryptocurrencies this year has accelerated and secured Bitcoin Depot's rise to the top. The company is the fastest growing and largest operator of bitcoin ATMs in the world. Bitcoin Depot's provider of cutting-edge Universal Kiosks, Genmega, is a key player known for the industry-leading reliability and performance of its ATMs and Transactional Kiosks. The partnership has made bitcoin ATMs available in thousands of new locations across North America.

The key to this continued success is a robust partner distribution network. Bitcoin Depot continues to dominate the bitcoin market through its ISO and IAD distributor channel. The company currently operates over 1,300 bitcoin ATMs in the U.S. and Canada and has aggressive growth targets for 2021.

As the industry surges in bitcoin adoption, these trends will continue to grow. In 2020 alone, over 7,060 bitcoin ATMs were deployed worldwide, compared to 2,263 in 2019. Bitcoin Depot estimates that in the next 10 years there will be as many Bitcoin ATMs as there are cash ATMs today.

Bitcoin Depot's ATM Partners benefit from:

- Leading partner program in the industry with best-in-class ATM experience
- Earnings up to \$25,000 per Bitcoin ATM placement through its extensive global network
- 100% Turn-key experience, from setup to end-to-end management of the ATM
- Uncapped growth potential, no bitcoin-expertise and zero capital investment required
- Increased foot traffic and greater business exposure
