Bitcoin Depot Announces Share Repurchase Program

ATLANTA, Sept. 22, 2023 (GLOBE NEWSWIRE) -- Bitcoin Depot Inc. ("Bitcoin Depot" or the "Company"), a U.S.-based Bitcoin ATM operator and leading fintech company, today announced that its Board of Directors has authorized a share repurchase program pursuant to which the Company is authorized to repurchase up to \$10 million of outstanding shares of its Class A common stock beginning immediately and continuing through and including June 30, 2024.

Pursuant to the authorization, repurchases may be made from time to time using a variety of methods, including open market purchases, privately negotiated transactions or by other means in accordance with U.S. securities laws and regulations, including pursuant to Rule 10b-18 and under plans intended to qualify under Rule 10b5-1 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act"). The timing and total amount of share repurchases will be determined by the Company at its discretion and will depend upon a variety of factors, including business, economic and market conditions, corporate and regulatory requirements, management's assessment of the intrinsic value of the Company's Class A common stock, available liquidity, compliance with the Company's debt and other agreements and prevailing stock prices. The exact dollar amount or number of shares to be repurchased by the Company is not guaranteed, and the program may be suspended, modified, or discontinued at any time without prior notice. The Company expects to fund repurchases with cash on hand and cash provided by operations.

Cautionary Note Regarding Forward-Looking Statements

This press release and any oral statements made in connection herewith include "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Exchange Act. Forward-looking statements are any statements other than statements of historical fact, and include, but are not limited to, statements regarding the expectations of plans, business strategies, objectives and growth and anticipated financial and operational performance, including our growth strategy and ability to increase deployment of our products and services and our proposed share repurchase program and the projected timing, purchase price and number of shares

purchased under such program, if at all. These forward-looking statements are based on management's current beliefs, based on currently available information, as to the outcome and timing of future events. Forward-looking statements are often identified by words such as "anticipate," "appears," "approximately," "believe," "continue," "could," "designed," "effect," "estimate," "evaluate," "expect," "forecast," "goal," "initiative," "intend," "may," "objective," "outlook," "plan," "potential," "priorities," "project," "pursue," "seek," "should," "target," "when," "will," "would," or the negative of any of those words or similar expressions that predict or indicate future events or trends or that are not statements of historical matters, although not all forward-looking statements contain such identifying words. In making these statements, we rely upon assumptions and analysis based on our experience and perception of historical trends, current conditions, and expected future developments, as well as other factors we consider appropriate under the circumstances. We believe these judgments are reasonable, but these statements are not guarantees of any future events or financial results. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on by any investor as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. Many actual events and circumstances are beyond our control.

These forward-looking statements are subject to a number of risks and uncertainties, including changes in domestic and foreign business, market, financial, political and legal conditions; failure to realize the anticipated benefits of the business combination; future global, regional or local economic and market conditions; the development, effects and enforcement of laws and regulations; our ability to manage future growth; our ability to develop new products and services, bring them to market in a timely manner and make enhancements to our platform; the effects of competition on our future business; our ability to issue equity or equity-linked securities; the outcome of any potential litigation, government and regulatory proceedings, investigations and inquiries; and those factors described or referenced in filings with the Securities and Exchange Commission. If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that we do not presently know or that we currently believe are immaterial that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect our expectations, plans or forecasts of future events and views as of the date of this press release. We anticipate that subsequent events and developments will cause our assessments to change.

We caution readers not to place undue reliance on forward-looking statements. Forward-looking statements speak only as of the date they are made, and we undertake no obligation to update publicly or otherwise revise any forward-looking statements, whether as a result of new information, future events, or other factors that affect the subject of these statements, except where we are expressly required to do so by law. All written and oral forward-looking statements attributable to us are expressly qualified in their entirety by this cautionary statement.
