About Bowhead Specialty Holdings Inc.

Bowhead Specialty is a growing specialty insurance business providing casualty,

professional liability and healthcare liability insurance products. We were founded and are led by industry veteran Stephen Sills. The team is composed of highly experienced and respected industry veterans with decades of individual, successful underwriting and management experience. Our products are delivered through two complementary underwriting models designed to support sustainable and profitable growth across market cycles: a “craft” model for large, complex, higher-severity risks, and a “digital” model, which includes Baleen Specialty and other small-business offerings (“express”), for smaller, simpler, and scalable business.

We pride ourselves on the quality and experience of our people, who are committed to exceeding our partners’ expectations through excellent service and expertise. Our collaborative culture spans all functions of our business and allows us to provide a consistent, positive experience for all of our partners.
