Herbalife Nutrition Recognized as One of Forbes Magazine's Best Employers

LOS ANGELES--(BUSINESS WIRE)-- As a Company whose purpose is to make the world healthier and happier, including the lives of its employees, Herbalife Nutrition (NYSE:HLF), is honored to receive a place on *Forbes'* list of America's Best Midsize Employers for the third year in a row.

"At Herbalife Nutrition our purpose and our principles guide us and help us succeed as a team, and this award is a testament to both our culture, and our employees who commit to making this a great place to work every day," said Jean Marie Cacciatore, chief human resources officer, Herbalife Nutrition.

The companies on the *Forbes* list of best midsize employers were chosen based on an independent survey conducted by statistics portal Statista from a sample of 30,000 American employees working for large or midsize firms or institutions. Key metrics for the study included evaluation of the willingness of Herbalife Nutrition employees to recommend the company to others, as well as the opinions from employees of other companies who were asked to name good or bad employers other than their own.

The survey included companies from all industry sectors employing from 1,000 to 5,000 workers in the United States. Of the over 8,000 Herbalife Nutrition employees worldwide, approximately 2,400 work in the U.S.
