### ***About Viveve***

Viveve Medical, Inc. is a women's health and wellness company passionately committed to advancing new solutions to improve women's overall well-being and quality of life. The internationally patented Viveve® System, that delivers the GENEVEVE™ treatment, incorporates clinically proven cryogen-cooled, monopolar radiofrequency (CMRF) energy-based technology to uniformly deliver volumetric heating while gently cooling surface tissue to generate robust neocollagenesis in one 30-minute in-office session.

International regulatory approvals and clearances have been received for vaginal laxity and/or improvement in sexual function indications from over 50 countries. Consistent with these approvals, Viveve has submitted an IDE to the FDA to conduct a pivotal study on use of the device for improvement in sexual function. Currently, in the United States, the Viveve System is cleared by the FDA for general surgical procedures for electrocoagulation and hemostasis.

InControl Products by Viveve are FDA cleared medical devices that treat stress, urge, and mixed incontinence conditions and products to improve pelvic floor strength. Viveve exclusively distributes InControl Medical's products to healthcare providers in the United States. For more information visit Viveve's website at [www.viveve.com](http://www.viveve.com).
