Company Overview
For more than 30 years, Stratasys has helped organizations around the world to reimagine the way they design and make things with 3D printing technology, including FDM®, PolyJet™ and stereolithography systems. The company’s 3D printers, materials, software, professional services, and on-demand parts can transform the product lifecycle from design through manufacturing and end use parts. Stratasys provides tailored solutions for industries including aerospace, automotive, rail, healthcare, consumer products, and education. These organizations Make It With Stratasys to improve patient care, achieve design breakthroughs, simplify supply chains, optimize manufacturing operations and reduce costs. Stratasys brands include Stratasys Direct Manufacturing, which provides parts on demand, Blueprint consulting services, GrabCAD design community and 3D printing software, and MakerBot, which provides desktop 3D printers. Stratasys is headquartered in Rehovot, Israel, and Eden Prairie, Minn. Learn more at www.stratasys.com.
