# Salem Media Group, Inc. Announces Temporary Suspension of Quarterly Dividend

CAMARILLO, Calif.--(BUSINESS WIRE)-- [Salem Media Group](#), Inc. (Nasdaq: SALM) today announced that, due to uncertainty from the rapidly evolving impact of COVID-19 on the economy, Salem's Board of Directors has made the decision, as part of a larger effort to conserve cash, to temporarily suspend the regular quarterly cash dividend on its common stock. The Board of Directors will re-assess the dividend suspension throughout the year to determine, in light of facts and circumstances at that time, whether and when to reinstate the dividend.

In addition to suspending the dividend, Salem implemented several cost reduction strategies designed to further preserve capital and liquidity, including, but not limited to, (i) limiting capital expenditures, (ii) reducing discretionary spending such as travel and entertainment, (iii) eliminating open positions and new hires, (iv) reducing staffing when appropriate, (v) requesting rent concessions from landlords, (vi) reducing employee compensation and (vii) requesting discounts from vendors. Taken together, Salem believes these are the right actions to successfully weather this challenging environment.
