WRAP Sets Second Quarter 2021 Conference Webcast for Thursday, July 29 at 4:30 PM ET

TEMPE, Ariz., July 20, 2021 (GLOBE NEWSWIRE) -- **Wrap Technologies, Inc. (Nasdaq: WRAP) (the "Company")**, a global leader in innovative public safety technologies and services, will hold a Zoom video webcast on Thursday, July 29, 2021 at 4:30 p.m. Eastern time to discuss its financial and operational results for the second quarter ended June 30, 2021. Financial and operational results will be issued in a press release shortly after the market closes that same day.

The call will be hosted by Tom Smith, CEO and President, Jim Barnes, CFO Secretary and Treasurer, and Paul Manley, VP of Investor Relations. The newest member of the executive team, Glenn Hickman, COO, will also be introduced during the call. A question-and-answer session will take place following the prepared remarks.

Date: Thursday, July 29, 2021

Time: 4:30 p.m. Eastern time (1:30 p.m. Pacific time)

RSVP: [Webcast Registration Link](#)

Please join the webinar 5-10 minutes prior to the start time.

Participants may access the live webcast by visiting the Company's Investor Relations page at <http://www.wrap.com/investors>. A webcast replay of the call will be available on the Company's Investor Relations page within 24 hours of the live call ending.

About WRAP

WRAP Technologies (Nasdaq: WRAP) is a global leader in innovative public safety technologies and services. WRAP develops creative solutions to complex issues and empowers public safety officials to protect and serve their communities through its portfolio of advanced technology and training solutions.

WRAP's BolaWRAP[®] Remote Restraint device is a patented, hand-held pre-escalation and apprehension tool that discharges a Kevlar[®] tether to temporarily restrain uncooperative suspects and persons in crisis from a distance. Through its many field uses and growing adoption by agencies across the globe, BolaWRAP is [proving](#) to be an effective tool to help law enforcement safely detain persons without injury or the need to use higher levels of force.

WRAP Reality, the Company's virtual reality training system, is a fully immersive training simulator and comprehensive public safety training platform providing first responders with the discipline and practice in methods of de-escalation, conflict resolution, and use-of-force to better perform in the field.

WRAP's headquarters are in Tempe, Arizona. For more information, please visit wrap.com.

Cautionary Note on Forward-Looking Statements - Safe Harbor Statement

This press release contains "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, including but not limited to: statements regarding the Company's overall business; total addressable market; and, expectations regarding future sales and expenses. Words such as "expect", "anticipate", "should", "believe", "target", "project", "goals", "estimate", "potential", "predict", "may", "will", "could", "intend", and variations of these terms or the negative of these terms and similar expressions are intended to identify these forward-looking statements. Moreover, forward-looking statements are subject to a number of risks and uncertainties, many of which involve factors or circumstances that are beyond the Company's control. The Company's actual results could differ materially from those stated or implied in forward-looking statements due to a number of factors, including but not limited to: the Company's ability to successfully implement training programs for the use of its products; the Company's ability to manufacture and produce product for its customers; the Company's ability to develop sales for its new product solution; the acceptance of existing and future products; the availability of funding to continue to finance operations; the complexity, expense and time associated with sales to law enforcement and government entities; the lengthy evaluation and sales cycle for the Company's product solution; product defects; litigation risks from alleged product-related injuries; risks of government regulations; the business impact of health crises or outbreaks of disease, such as epidemics or pandemics; the ability to obtain export licenses for countries outside of the US; the ability to obtain patents and defend IP against competitors; the impact of competitive products and solutions; and the Company's ability to maintain and enhance its brand, as well as other risk factors mentioned in the Company's most recent annual report on Form 10-K, quarterly report on Form 10-Q, and other SEC filings. These forward-looking statements are made as of the date of this press release and were based on current expectations, estimates, forecasts and projections as well as the beliefs and assumptions of management. Except as required by law, the Company undertakes no duty or obligation to update any forward-looking statements contained in this release as a result of new information, future events or changes in its expectations.
