"We have been waiting for this moment all year long. Due to COVID, it has been nearly impossible for physical conferences to even take place. I want to show the world that you can still learn, have a great time, and see some of the most unique companies in the capital markets today. All without having to step foot outside. For the first time, LD Micro is accessible to everyone, and we are honored to welcome you to one of the most trusted platforms in the space," stated Chris Lahiji, Founder of LD.

The LD 500 will take place on September 1st through the 4th.

## About VERB

VERB Technology Company, Inc. (Nasdaq: VERB) transforms how businesses attract and engage customers. The Company's Software-as-a-Service, or SaaS, platform is based on its proprietary interactive video technology, and comprises a suite of sales enablement business software products offered on a subscription basis. Its software applications are available in over 60 countries and in more than 48 languages to large enterprise and small business sales teams that need affordable, easy-to-use, and quick-to-get-results sales tools. Available in both mobile and desktop versions, the applications are offered as a fully integrated suite, as well as on a standalone basis and include verbCRM (Customer Relationship Management application), verbLEARN (Learning Management System

application), and verbLIVE (Interactive Livestream eCommerce and Video Webinar application). The Company has offices in California and Utah. For more information, please visit: [www.verb.tech](http://www.verb.tech).

### **About LD Micro**

Back in 2006, LD Micro began with the sole purpose of being an independent resource to the microcap world.

What started as a newsletter highlighting unique companies, has transformed into the pre-eminent event platform in the space.

The upcoming "500" in September is the Company's most ambitious project yet, and the first event that is accessible to everyone.

For those interested in attending, please contact David Scher at [david@ldmicro.com](mailto:david@ldmicro.com) or visit [www.ldmicro.com](http://www.ldmicro.com) for more information.
