

Company Overview

Canoo is a Los Angeles-based company that has developed breakthrough electric vehicles, reinventing the automotive landscape with bold innovations in design, pioneering technologies, and a unique business model that defies traditional ownership to put customers first. Distinguished by its experienced team – numbering over 350 employees from leading technology and automotive companies – Canoo has designed a modular electric platform purpose-built to deliver maximum vehicle interior space and adaptable to support a wide range of vehicle applications for consumers and businesses. Canoo expects to launch its first consumer model in 2022, simply named the canoo and available by subscription, followed shortly after by a multi-purpose delivery vehicle and a sport vehicle, each built off of the same underlying platform.
