## Caution Concerning Forward-Looking Statements

This press release contains certain statements that constitute forward-looking information within the meaning of applicable securities laws ("forward-looking statements"). Statements concerning Columbia Care Inc.'s ("Columbia Care" or the "Company") objectives, goals, strategies, priorities, intentions, plans, beliefs, expectations and estimates, and the business, operations, financial performance and condition of Columbia Care are forward-looking statements. The words "believe", "expect", "anticipate", "estimate", "intend", "may", "will", "would", "could", "should", "continue", "plan", "goal", "objective", and similar expressions and the negative of such expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words.

Certain material factors and assumptions were applied in providing these forward-looking statements. Forward-looking information involves numerous assumptions including the following specific assumptions: the ability of Columbia Care to meet its dispensary targets

including the ability to negotiate additional lease arrangements satisfactory to the company, receipt of necessary permits and regulatory approvals, timely completion of planned construction, and the ability to identify and attract qualified staff. Projections may be impacted by macroeconomic factors, in addition to other factors not controllable by the Company. Columbia Care has also made certain general industry assumptions in the preparation of such forward-looking statements. Management believes that the expectations reflected in forward-looking statements are based upon reasonable assumptions; however, Management can give no assurance that actual results will be consistent with these forward-looking statements. Not all factors which affect the forward-looking information are known, and actual results may vary from the projected results in a material respect and may be above or below the forward-looking information presented in a material respect.

Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause Columbia Care's actual results, performance or achievements, or developments in its industry, to differ materially from the anticipated results, performance, achievements or developments expressed or implied by such forward-looking statements. Given these uncertainties, readers are cautioned not to place undue reliance on such forward-looking statements. When considering these forward-looking statements, readers should keep in mind the risk factors and other cautionary statements in Columbia Care's final prospectus dated March 21, 2019 (the "Prospectus") and filed with the applicable Canadian securities regulatory authorities on SEDAR at [www.sedar.com](http://www.sedar.com). The risk factors and other factors noted in the Prospectus could cause actual events or results to differ materially from those described in any forward-looking information. Forward-looking statements are based on management's current plans, estimates, projections, beliefs and opinions, and Columbia Care does not undertake any obligation to update forward-looking statements should assumptions related to these plans, estimates, projections, beliefs and opinions change except as required by applicable securities laws. All of the forward-looking statements made in this press release are qualified by these cautionary statements and other cautionary statements or factors contained herein, and there can be no assurance that the actual results or developments will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, Columbia Care.
