Qualcomm Announces Pricing Terms of Its Cash Offers for Four Series of Notes Open to Retail Holders Only

SAN DIEGO, Aug. 11, 2020 /PRNewswire/ -- Qualcomm Incorporated (NASDAQ: QCOM) announced today the pricing terms of its four separate offers to purchase for cash (each, a "Cash Offer," and collectively, the "Cash Offers") any and all of the outstanding notes listed in the table below (collectively, the "Old Notes"), on the terms and subject to the conditions set forth in the Offer to Purchase dated August 5, 2020 (the "Offer to Purchase" and, together with the certification to participate in the Cash Offers, the instructions for such certification and the notice of guaranteed delivery, the "Cash Offer Documents"). The Cash Offers are subject to an aggregate maximum condition as set forth below.

The Cash Offers will expire at 5:00 p.m., New York City time today, August 11, 2020 (such date and time, as may be extended or earlier terminated by Qualcomm, the "Cash Offer Expiration Date"). The "Cash Offer Settlement Date" will be promptly following the Cash Offer Expiration Date and is expected to be August 14, 2020.

Only holders who are not "qualified institutional buyers" and who are not non-U.S. persons (other than "retail investors" in the European Economic Area or in the United Kingdom and investors in any province or territory of Canada that are individuals or that are institutions or other entities that do not qualify as both "accredited investors" and "permitted clients") are eligible to participate in this transaction, as more fully described below. Qualcomm also announced today the pricing terms of its transaction to exchange such four series of notes pursuant to private exchange offers (each, an "Exchange Offer" and collectively, the "Exchange Offers"), which are open only to Ineligible Holders (as defined below).

The following table sets forth, for each series of Old Notes, the yields and the Tender Consideration (as defined in the Cash Offer Documents) for each \$1,000 principal amount of such Old Notes validly tendered and not validly withdrawn prior to the Cash Offer Expiration Date and accepted by Qualcomm:

(2) Represents the bid-side yield on the Reference U.S. Treasury Security plus the applicable Fixed Spread, calculated in accordance with the procedures set forth in the Offer to Purchase.

Upon the terms and subject to the conditions set forth in the Cash Offer Documents, Eligible Holders (as defined below) who (i) validly tender and who do not validly withdraw Old Notes at or prior to the Cash Offer Expiration Date or (ii) deliver a properly completed and duly executed notice of guaranteed delivery and all other required documents at or prior to the Cash Offer Expiration Date and tender their Old Notes pursuant to the Cash Offers at or prior to 5:00 p.m., New York City time, on the second business day after the applicable Cash Offer Expiration Date pursuant to guaranteed delivery procedures, expected to be August 13, 2020, subject in each case to the delivery of the certification to participate in the Cash Offers and tendering the applicable minimum denominations, and whose Old Notes are accepted for purchase by Qualcomm, will receive consideration in the Cash Offers equal to the applicable Tender Consideration.

We also intend to pay in cash accrued and unpaid interest on the Old Notes accepted for purchase from the last applicable interest payment date for the Old Notes to, but excluding, the Cash Offer Settlement Date (the "Accrued Coupon Payment").

Terms of the Cash Offers

The complete terms and conditions of the Cash Offers are set forth in the Cash Offer Documents, each of which have been distributed to Eligible Holders in connection with the proposed Cash Offers. Each Cash Offer is subject to certain conditions, including (i) the timely satisfaction or waiver of all of the conditions precedent to the completion of the corresponding Exchange Offer for such series of Old Notes (with respect to each Exchange Offer, the "Exchange Offer Completion Condition") and (ii) that the aggregate principal amount of cash payable by Qualcomm to Eligible Holders participating in the Cash Offers is no greater than \$300 million before giving effect to the Accrued Coupon Payment (the "Aggregate Maximum Cash Offer Condition"). The Exchange Offers are subject to certain conditions, including that the aggregate principal amount of New 2028 Notes to be issued under the Exchange Offers must be equal to or greater than \$500 million (the "New 2028 Notes Minimum Condition") and that the aggregate principal amount of New 2032 Notes to be issued under the Exchange Offers must be equal to or greater than \$500 million (the "New 2032 Notes Minimum Condition," and together with the New 2028 Notes Minimum Condition, the "Minimum Condition Requirements"). Qualcomm will terminate a Cash Offer for a given series of Old Notes if it terminates the Exchange Offer for such series of Old Notes, and Qualcomm will terminate the Exchange Offer for a given series of Old Notes if it terminates the Cash Offer for such series of Old Notes. The Exchange Offer Completion Condition may not be waived by Qualcomm; however, Qualcomm reserves the right, in its sole discretion, to waive the other conditions, including the Aggregate Maximum Cash Offer Condition and either Minimum Condition Requirement. If (i) the New 2028 Notes Minimum Condition is not satisfied, Qualcomm will not accept any Old 2022 Notes or Old 2023 Notes in the Exchange Offers and will terminate the corresponding Cash Offers for such notes and (ii) the New 2032 Notes Minimum Condition is not satisfied, Qualcomm will not accept any Old 2024 Notes or Old 2025 Notes in the Exchange Offers and will terminate the corresponding Cash Offers for such notes, in each case unless Qualcomm waives the applicable Minimum Condition Requirement. If the Aggregate Maximum Cash Offer Condition is not satisfied or waived, Qualcomm will terminate the Cash Offers and the Exchange Offers.

Only holders of Old Notes who are not (i) "qualified institutional buyers" within the meaning of Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and who are not (ii) non-U.S. persons (as defined in Rule 902 under the Securities Act) located outside of the United States within the meaning of Regulation S under the Securities Act, other than "retail investors" (as defined below) in the European Economic Area or the United Kingdom, are eligible to participate in the Cash Offers. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II"); or (ii) a customer within the meaning of Directive 2002/92/EC (as amended, the "Insurance Mediation Directive"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (as amended, the "Prospectus Regulation"). Holders of Old Notes located or resident in a province or territory of Canada will only be eligible to participate in the Cash Offers if they are (i) individuals; or (ii) institutions or other entities that do not qualify as both "accredited investors," as such term is defined in National Instrument 45-106 - *Prospectus Exemptions* ("NI 45-106") of the Canadian Securities Administrators or Section 73.3(1) of the Securities Act (Ontario), and "permitted clients," as such term is defined in National Instrument 31-103 - *Registration Requirements, Exemptions and Ongoing Registrant Obligations* ("NI 31-103") of the Canadian Securities Administrators. We refer to holders who meet the foregoing criteria in this paragraph as "Eligible Holders." Qualcomm refers to holders of Old Notes who are not Eligible Holders as "Ineligible Holders."

Only Eligible Holders who have delivered a certification to Global Bondholder Services Corporation, certifying that they are Eligible Holders, will be authorized to participate in the Cash Offers.

Holders are advised to check with any bank, securities broker or other intermediary through which they hold Old Notes as to when such intermediary needs to receive instructions from a holder in order for that holder to be able to participate in, or (in the circumstances in which revocation is permitted) revoke their instruction to participate in the Cash Offers before the deadlines specified herein and in the Cash Offer Documents. The deadlines set by each clearing system for the submission and withdrawal of tender instructions will also be earlier than the relevant deadlines specified herein and in the Cash Offer Documents.
