(A) Significant changes may occur subsequent to the period presented. This schedule will be updated when new financial statements are filed with the SEC. Cumulative cash investment and cash proceeds are adjusted down when strategic investments are sold or substantially impaired, loans are repaid in full, or investees liquidate, in the quarter following the quarter in which those events occur.

(B) Unfunded commitments do not include liabilities accrued on our balance sheet as of June 25, 2006.

(C) Reflects cash amounts funded and not recorded book values.

(D) The cumulative cash investment in MediaFLO USA is not presented with the exception of the cash investment in the wireless licenses. At June 25, 2006, recorded assets related to the MediaFLO USA business totalled \$296 million, including wireless licenses.

(E) Unfunded commitments relate to an agreement to provide long-term financing to CDMA customers of Ericsson which is not subject to expiration.

(F) In October 2005, we and the Other Investor restructured Inquam. We do not anticipate providing any further funding to Inquam.

(G) Cash proceeds for Marketable Equity Securities reflect cash received for securities sold.
