# Know Labs, Inc. Announces Receipt of Audit Opinion with Going Concern Explanation

SEATTLE--(BUSINESS WIRE)-- [Know Labs, Inc.](#) (NYSE American: KNW), leading developer of non-invasive diagnostics technology, today announced that, as previously disclosed in its Annual Report on Form 10-K for the year ended September 30, 2024, which was filed on November 14, 2024 with the Securities and Exchange Commission, the audited financial statements contained an audit opinion from its independent registered public accounting firm that included an explanatory paragraph related to the Company's ability to continue as a going concern. See further discussion in Note 2 to the Company's financial statements included in the Company's Annual Report on Form 10-K. This announcement is made pursuant to NYSE American LLC Company Guide Section 610(b), which requires public announcement of the receipt of an audit opinion containing a going concern paragraph. This announcement does not represent any change or amendment to the Company's financial statements or to its Annual Report on Form 10-K for the year ended September 30, 2024.

## About Know Labs, Inc.

[Know Labs, Inc.](#) is a public company whose shares trade on the NYSE American Exchange under the stock symbol "KNW." The Company's platform technology uses spectroscopy to direct electromagnetic energy through a substance or material to capture a unique molecular signature. The technology is designed to be able to integrate into a variety of wearable, mobile or bench-top form factors. The Company believes that this patented and patent-pending technology makes it possible to effectively identify and monitor analytes that could only previously be performed by invasive and/or expensive and time-consuming lab-based tests. The Company's first expected application of the technology will be in a product marketed as a non-invasive glucose monitor. The device is designed to provide the user with accessible and affordable real-time information on blood glucose levels. This product will require U.S. Food and Drug Administration clearance prior to its introduction to the market.
