Know Labs, Inc. Announces \$300K Registered Direct Offering

SEATTLE--(BUSINESS WIRE)-- [Know Labs, Inc.](#) (NYSE American: KNW) (the "Company"), a leading developer of non-invasive medical diagnostic technology, today announced the pricing of a registered direct offering with gross proceeds to the company of \$300K before deducting placement agent fees and other estimated expenses payable by the Company.

This was a unit offering comprised of one share of stock and one warrant. The purchase price of the unit was \$0.24 a share and the warrant is exercisable at \$0.24. The warrants will expire on the fifth anniversary of the warrant issuance. The warrants also have a cashless exercise option in certain circumstances. This was a registered direct offering priced at-the-market under NYSE American rules.

The offer and sale of the units is being made pursuant to the Company's effective shelf registration statement on Form S-3 (File No. 333-276246) (the "Registration Statement") filed with the U.S. Securities and Exchange Commission ("SEC") on December 22, 2023 and declared effective by the SEC on January 11, 2024, as supplemented by a prospectus supplement dated December 13, 2024 and filed with the SEC pursuant to Rule 424(b) (the "Prospectus Supplement") under the Securities Act of 1933, as amended (the "Securities Act"). The offering of the units is being made only by means of the Prospectus Supplement that forms a part of the effective Registration Statement. A final Prospectus Supplement and the accompanying base prospectus relating to the units being offered in the registered direct offering will be filed with the SEC and will be available on the SEC's website located at <http://www.sec.gov>. Electronic copies of the final Prospectus Supplement and the accompanying base prospectus may also be obtained, when available, from Know Labs, Inc. Attn: Secretary at 619 Western Avenue, Suite 610, Seattle, WA 98104, by phone at (206) 903-1351 or e-mail at pete@knowlabs.co.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any of the securities described herein, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

Further information can be found in Know Labs, Inc.'s Form 8-K filing with the Securities and Exchange Commission expected on or about Monday, December 16, 2024.

About Know Labs, Inc.

[Know Labs, Inc.](#) is a public company whose shares trade on the NYSE American Exchange under the stock symbol "KNW." The Company's platform technology uses spectroscopy to direct electromagnetic energy through a substance or material to capture a unique molecular signature. The technology is designed to be able to integrate into a variety of wearable,

mobile, bench-top or other form factors. The Company believes that this patented and patent-pending technology makes it possible to effectively identify and monitor analytes that could only previously be performed by invasive and/or expensive and time-consuming lab-based tests. The Company's technology is applicable to many diverse fields of use. The Company's first expected application of the technology will be in a product marketed as a non-invasive glucose monitor. The device is designed to provide the user with accessible and affordable real-time information on blood glucose levels. This product will require U.S. Food and Drug Administration clearance prior to its introduction to the market.
