SUNation Energy to Participate in Bank of America Clean Energy Symposium

RONKONKOMA, N.Y., Nov. 26, 2024 (GLOBE NEWSWIRE) -- **SUNation Energy, Inc. (Nasdaq: SUNE)** ("**SUNation**" or the "**Company**"), a leading provider of sustainable solar energy and backup power to households, businesses, municipalities, and for servicing existing systems, today announced that Scott Maskin, Interim CEO, and Jim Brennan, COO will participate in the Bank of America Clean Energy Symposium.

Management is scheduled to participate in the *Democratizing Solar: Tapping into the Untapped US Residential Market* panel discussion on **Thursday, December 5, 2024 at 11:00 AM ET**.

Management will also host investor meetings in person on December 5, 2024, and virtually on December 6, 2024. Interested investors should contact their Bank of America sales representative.

About SUNation Energy, Inc.

SUNation Energy, Inc. is focused on growing leading local and regional solar, storage, and energy services companies nationwide. Our vision is to power the energy transition through grass-roots growth of solar electricity paired with battery storage. Our portfolio of brands (SUNation, Hawaii Energy Connection, E-Gear) provide homeowners and businesses of all sizes with an end-to-end product offering spanning solar, battery storage, and grid services.

Forward Looking Statements

This press release includes certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements are based on the Company's current expectations or beliefs and are subject to uncertainty and changes in circumstances. While the Company believes its plans, intentions, and expectations reflected in those forward-looking statements are reasonable, these plans, intentions, or expectations may not be achieved. For information about the factors that could cause such differences, please refer to the Company's filings with the Securities and Exchange Commission, including, without limitation, the statements made under the heading "Risk Factors" in the Company's Annual Report on Form 10-K for the year ended December 31, 2023 and in subsequent filings. The Company does not undertake any obligation to update or revise these forward-looking statements for any reason, except as required by law.

Safe Harbor Statement

Our prospects here at SUNation Energy, Inc. are subject to uncertainties and risks. This news release (video statement) contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Act of 1934. The Company intends that such forward-looking statements be subject to the safe harbor provided by the foregoing Sections. These forward-looking statements are based largely on the expectations or forecasts of future events, can be affected by inaccurate assumptions,

and are subject to various business risks and known and unknown uncertainties, a number of which are beyond the control of management. Therefore, actual results could differ materially from the forward-looking statements contained in this presentation. The Company cannot predict or determine after the fact what factors would cause actual results to differ materially from those indicated by the forward-looking statements or other statements. The reader should consider statements that include the words "believes", "expects", "anticipates", "intends", "estimates", "plans", "projects", "should", or other expressions that are predictions of or indicate future events or trends, to be uncertain and forward-looking. We caution readers not to place undue reliance upon any such forward-looking statements. The Company does not undertake to publicly update or revise forward-looking statements, whether because of new information, future events or otherwise. Additional information respecting factors that could materially affect the Company and its operations are contained in the Company's filings with the SEC which can be found on the SEC's website at www.sec.gov.
