

Company Overview

Helios Technologies is a global industrial technology leader that develops and manufactures hydraulic and electronic control solutions for diverse markets. The Company does business through its operating subsidiaries around the world, including Sun Hydraulics, LLC, Enovation Controls, LLC, and Faster S.r.l. The Hydraulics segment serves diverse markets including material handling, construction equipment, agriculture, specialized vehicles, energy and others through its Sun Hydraulics and Faster Group companies, providing high-performance screw-in hydraulic cartridge valves and manifolds as well as quick-release hydraulic coupling solutions. The Electronics segment provides electronic control solutions through Enovation Controls for recreational and off-highway vehicles, as well as industrial stationary and mobile power equipment.
