Airship AI Secures Seven Figure Follow-On Contract Award with Fortune 100 Transportation & E-Commerce Company

Acropolis Enterprise Video and Data Management Platform Supports Operational and Physical Security Requirements for Global Locations

REDMOND, Wash., June 23, 2026 (GLOBE NEWSWIRE) -- Airship AI Holdings, Inc. (NASDAQ: AISP) ("Airship AI" or the "Company"), a leader in AI-driven video, sensor, and data management surveillance solutions, today announced it has been awarded an additional one year agreement of \$1.9 million for system maintenance and sustainment for an existing Fortune 100 customer leveraging the Company's Acropolis Enterprise Video and Data Management platform supporting operational and physical security requirements. In addition, the Company received other smaller orders totaling \$1.4 million. All orders should ship during 2026 and early 2027.

"Our follow-on expansion contract for \$1.9 million with this flagship customer is a testament to the Acropolis eco-system's ability to enhance physical security at the scale needed for the large-scale operations of the world's largest corporations," said Victor Huang, CEO of Airship AI. "This allows the customer to continue to federate and manage global logistical operations from a single security operations center. The seven-figure contract includes ongoing health monitoring, technical and engineering support, and software maintenance, demonstrating the ability to provide revenue from a mix of professional services in addition to our traditional software and hardware offerings."

About Airship AI Holdings, Inc.

Founded in 2006, Airship AI (NASDAQ: AISP) is a U.S. owned and operated technology company headquartered in Redmond, Washington. Airship AI is an AI-driven video, sensor and data management surveillance platform that improves public safety and operational efficiency for public sector and commercial customers by providing predictive analysis of events before they occur and meaningful intelligence to decision makers. Airship AI's product suite includes Outpost AI edge hardware and software offerings, Acropolis enterprise management software stack, and Command family of visualization tools.

Forward-Looking Statements

The disclosure herein includes certain statements that are not historical facts but are

forward-looking statements for purposes of the safe harbor provisions under the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements generally are accompanied by words such as “believe,” “may,” “will,” “estimate,” “continue,” “anticipate,” “intend,” “expect,” “should,” “would,” “plan,” “project,” “forecast,” “predict,” “potential,” “seem,” “seek,” “future,” “outlook,” and similar expressions that predict or indicate future events or trends or that are not statements of historical matters, but the absence of these words does not mean that a statement is not forward looking. These statements are based on various assumptions, whether or not identified in this press release, and on the current expectations of Airship AI’s management and are not predictions of actual performance. These forward-looking statements are also subject to a number of risks and uncertainties, as set forth in the section entitled “Risk Factors” in its Annual Report on Form 10-K for the year ended December 31, 2025, filed with the SEC on February 17, 2026, and the other documents that the Company has filed, or will file, with the SEC. If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. In addition, forward looking statements reflect the Company’s expectations, plans or forecasts of future events and views as of the date of this press release. The Company anticipates that subsequent events and developments will cause its assessments to change. However, while it may elect to update these forward-looking statements at some point in the future, the Company specifically disclaims any obligation to do so. These forward-looking statements should not be relied upon as representing the Company’s assessments as of any date subsequent to the date of this press release. Accordingly, undue reliance should not be placed upon the forward-looking statements.
