MacDermid Graphics Solutions Appoints Matt Bennett as Vice President, EMEA

(Atlanta, GA USA) – MacDermid Graphics Solutions has announced the appointment of Matt Bennett as Vice President, EMEA. Matt will lead MacDermid's efforts to expand and grow this significant market.

Matt joins MacDermid with over 20 years of leadership and experience, most recently with SGK, in the global packaging industry with substantial international expertise delivering successful business turnaround with a market leader in the world of brands, packaging, and brand management. Matt has held senior business leadership positions within Europe as well as recently spearheaded Global Marketing and Strategy, M&A, and SGK's Global Consulting group.

Matt will be based out of Nottingham, United Kingdom, and report to Brad Wills, Senior Vice President and Global General Manager, MacDermid Graphics Solutions.
