The Joint Chiropractic Unveils New Brand Campaign

"You're Back, Baby." Puts Focus on Pain Relief and Real Patients

SCOTTSDALE, Ariz., Oct. 1, 2019 /PRNewswire/ -- The Joint Corp. (NASDAQ: JYNT), the nation's largest provider of chiropractic care through *The Joint Chiropractic*® network, announced a new brand campaign focusing on pain relief and highlighting real patients, as well as their chiropractic care stories. Called "You're Back, Baby.SM," the wide-ranging campaign includes television, outdoor, print and online ads, website platforms, retail channels and social media assets nationwide.

"You're Back, Baby.SM" recognizes our patients' desire to live their lives without restrictions," said Peter D. Holt, president and CEO of The Joint Corp. "As our campaign demonstrates, whether you're a dancer, a hairdresser, a U.S. Marine or have other passions you pursue, chiropractic care can be key to a healthy lifestyle. This new campaign is a tribute to the real patients who come to The Joint seeking pain relief and ongoing wellness."

Last year, *The Joint Chiropractic* introduced a significant consumer research initiative to understand its customer journey, patient mindset and the chiropractic marketplace - the first of its kind for the company. The results informed a new brand positioning and architecture, leading to the development of the brand campaign.

The Joint Chiropractic is known for its convenient retail setting and concierge-style services including no-appointments, no-insurance hassles, affordable chiropractic care and accommodating hours of operations, with evenings and weekends.
