About the Gateway Conference

The 7th Annual Gateway Conference is an invite-only conference presented by Liolios, a full-service financial communications firm. Gateway was created to bring together the most compelling companies with the nation's top institutional investors and analysts. This year's event features approximately 100 companies from a number of growth industries, including technology, business and financial services, consumer, digital media, clean technology and life sciences. The format has been designed to give attendees direct access to senior management via company presentations, Q&A sessions and one-on-one meetings. For more information, visit www.gateway-conference.com or www.liolios.com. To receive updates and highlights from #LioliosGateway, make sure to follow us on [Twitter](#), [LinkedIn](#) and [Facebook](#).

About Wayside Technology Group, Inc.

Wayside Technology Group, Inc. (NASDAQ: WSTG) is an IT channel company providing innovative sales and distribution solutions to technology vendors, resellers and system integrators since 1982. Wayside operates Lifeboat Distribution, a value-added distributor for virtualization/cloud computing, security, application and network infrastructure, business continuity/disaster recovery, database infrastructure and management, application lifecycle management, science/engineering, and other technically sophisticated products. The company helps vendors recruit and build multinational solution provider networks, power their networks, and drive incremental sales revenues that complement existing sales channels. Lifeboat Distribution services thousands of solution providers, VARs, systems integrators, corporate resellers, and consultants worldwide, helping them power a rich opportunity stream and build profitable product and service businesses. The Company also

offers specialty solutions to customers through its TechXtend business.
