ABOUT NEW RESIDENTIAL

New Residential is a leading provider of capital and services to the mortgage and financial services industries with a proven track record of returns and performance. The Company's mission is to generate attractive risk-adjusted returns in all interest rate environments through a portfolio of investments and operating businesses. With approximately \$45 billion in assets as of December 31, 2019, New Residential has built a diversified, hard-to-replicate portfolio with high-quality investment strategies that have generated returns across different interest rate environments over time. New Residential's portfolio is composed of mortgage servicing related assets (including investments in operating entities consisting of servicing, origination, and affiliated businesses), residential securities (and associated called rights) and loans, and consumer loans. New Residential's investments in operating entities include its mortgage origination and servicing subsidiary, NewRez, and its special servicing division, Shellpoint Mortgage Servicing, as well as investments in affiliated businesses that provide services that are complementary to the origination and servicing businesses and other portfolios of mortgage related assets. Since inception in 2013, New Residential has a proven track record of performance, growing and protecting the value of its assets while generating attractive risk-adjusted returns and delivering approximately \$3.3 billion in dividends to shareholders. New Residential is organized and conducts its operations to qualify as a real estate investment trust ("REIT") for federal income tax purposes. New Residential is managed by an affiliate of Fortress Investment Group LLC, a global investment management firm, and headquartered in New York City.
