AMD to Livestream Dr. Lisa Su Computex 2019 Keynote

SANTA CLARA, Calif., May 13, 2019 (GLOBE NEWSWIRE) -- AMD (NASDAQ: AMD) today announced that the COMPUTEX keynote delivered by Dr. Lisa Su, president and chief executive officer, AMD, will be livestreamed from Taipei, Taiwan. This will be the first time that a keynote speech will be delivered at the COMPUTEX pre-show international press conference. Dr. Su's presentation is scheduled for Monday, May 27 at 10:00 a.m. Taipei Standard Time in Room 201 of the Taipei International Convention Center (TICC).

A live stream of the event will be available at: https://www.amd.com/en/events/computex. An archived version of the webcast will be available approximately one hour after the event and can be found on the AMD YouTube channel.

About AMD
For 50 years AMD has driven innovation in high-performance computing, graphics and visualization technologies — the building blocks for gaming, immersive platforms and the datacenter. Hundreds of millions of consumers, leading Fortune 500 businesses and cutting-edge scientific research facilities around the world rely on AMD technology daily to improve how they live, work and play. AMD employees around the world are focused on building great products that push the boundaries of what is possible. For more information about how AMD is enabling today and inspiring tomorrow, visit the AMD (NASDAQ:AMD) website, blog, Facebook and Twitter pages.
