AMD to Present at Deutsche Bank Technology Conference

SANTA CLARA, Calif., Sept. 08, 2020 (GLOBE NEWSWIRE) -- Today, AMD (NASDAQ: AMD) announced that Forrest Norrod, senior vice president and general manager, Data Center and Embedded Solutions Business Group, will participate in a virtual fireside chat at Deutsche Bank's Technology Conference on Tuesday, September 15, 2020 at 11:10am ET/8:10am PT.

A real-time video webcast of the presentation can be accessed on AMD's Investor Relations website ir.amd.com. A replay of the webcast can be accessed approximately four hours after the conclusion of the live event and will be available for approximately one year after the conference.

About AMD

For 50 years, AMD has driven innovation in high-performance computing, graphics and visualization technologies – the building blocks for gaming, immersive platforms and the data center. Hundreds of millions of consumers, leading Fortune 500 businesses and cutting-edge scientific research facilities around the world rely on AMD technology daily to improve how they live, work and play. AMD employees around the world are focused on building great products that push the boundaries of what is possible. For more information about how AMD is enabling today and inspiring tomorrow, visit the AMD (NASDAQ: AMD) website, blog, Facebook and Twitter pages.
