

## Company Overview

Ur-Energy owns and operates the Lost Creek in-situ recovery uranium facility in south-central Wyoming. Lost Creek recently received an amendment to its license allowing expansion of mining activities within the existing Lost Creek Project and the adjacent LC East Project. The license now allows annual plant production up to 2.2 million pounds  $U_3O_8$ , which includes wellfield of up to 1.2 million pounds  $U_3O_8$  and toll processing of up to one million pounds  $U_3O_8$ . Additional approvals for this expansion are expected 2021 H2. Our second uranium in-situ recovery facility, Shirley Basin Project, is expected to receive all major authorizations 2021 H1.

Ur-Energy engages in the identification, acquisition, exploration, development, and operation of uranium projects. Shares of Ur-Energy trade on the NYSE American under the symbol "URG" and on the Toronto Stock Exchange under the symbol "URE." Ur-Energy's corporate office is located in Littleton, Colorado; its registered office is in Ottawa, Ontario.
