MARA Announces Expiration and Results of the Consent Solicitation for the 8.750% Senior Secured Notes due 2032 of Long Ridge Energy LLC

CUSIP Nos. 54288CAA1 / U5423CAA6

Miami, FL, May 15, 2026 (GLOBE NEWSWIRE) -- MARA Holdings, Inc. (NASDAQ: MARA) ("**MARA**") today announced the expiration and results of the previously announced consent solicitation (the "Consent Solicitation") by MARA USA Corporation, its wholly owned subsidiary (the "**Offeror**"), relating to the outstanding 8.750% Senior Secured Notes due 2032 (the "**Notes**") of Long Ridge Energy LLC (the "**Issuer**").

The Consent Solicitation expired at 5:00 p.m., New York City time, on May 15, 2026 (the "**Expiration Time**"). On May 14, 2026, prior to the Expiration Time, the Offeror received the requisite consents from registered holders ("**Holders**") of at least a majority of the aggregate principal amount of the Notes outstanding (the "**Requisite Consents**") to approve the proposed amendments (the "**Proposed Amendments**") to the indenture governing the Notes (the "**Indenture**"), as described in the consent solicitation statement dated as of May 7, 2026 (as amended or supplemented from time to time, the "**Consent Solicitation Statement**"). Accordingly, on May 14, 2026, the Issuer and the subsidiary guarantors party to the Indenture entered into a supplemental indenture to the Indenture with U.S. Bank Trust Company, National Association, as trustee, reflecting the Proposed Amendments.

The Proposed Amendments will become operative only upon the consummation of the Transaction (as defined below), the payment of the Consent Fee (as defined below) to the Depository Trust Company for the benefit of Consenting Holders (as defined below) and the satisfaction of certain other conditions, in each case as described in the Consent Solicitation Statement. The Consent Fee is expected to be paid substantially concurrently with the Transaction closing, which, if consummated, is currently expected to be in the second half of 2026, and could be as soon as the third quarter of 2026, subject to regulatory approvals, including clearance under the Hart-Scott-Rodino Act and Federal Energy Regulatory Commission approval, as well as satisfaction of other customary closing conditions.

Subject to the terms and conditions of the Consent Solicitation, the Offeror offered each Holder of the Notes who validly delivered (and did not validly revoke) its consents to the Proposed Amendments prior to the Expiration Time (each such Holder a "**Consenting Holder**") a consent consideration equal to \$2.50 per \$1,000 in principal amount of the Notes held by such Consenting Holder (the "**Consent Fee**"). If the Transaction is not consummated or the other conditions to the Consent Solicitation are not satisfied or waived, no Consent Fee will be paid, the Proposed Amendments will not become operative, and the Notes will

continue to be subject to the current terms and conditions of the Indenture.

Amendment & Consent

As described in the Consent Solicitation Statement, on April 29, 2026, the Offeror and MARA entered into an Equity Purchase Agreement with Ohio River Partners Holdco LLC, Ohio River Partners Finance LLC (collectively, the “**Sellers**”) and (solely for the purposes of Articles V, IX and X and Sections 2.5, 6.10, 6.16 and 6.20 of the Equity Purchase Agreement) FTAI Infrastructure Inc. Pursuant to the Equity Purchase Agreement, the Offeror will acquire 100% of the issued and outstanding limited liability company membership interests in Long Ridge Energy & Power LLC (“**Long Ridge**” and, such transaction, the “**Transaction**”). The Issuer is a wholly owned subsidiary of Long Ridge. At the closing of the Transaction, Long Ridge will become an indirect wholly owned subsidiary of MARA.

The consummation of the Transaction would constitute a “Change of Control” under the Indenture, absent the Proposed Amendments becoming operative. Following a “Change of Control” (as defined in the Indenture) the Indenture requires the Issuer to make an offer to purchase for cash all of the Notes then outstanding at a price equal to 101% of the aggregate principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the date of purchase.

Subject to the conditions described in the Consent Solicitation Statement, the Offeror sought consents from Holders of the Notes to amend the Indenture to (i) provide that the Transaction will not constitute a “Change of Control,” (ii) provide that MARA and its affiliates will each be a Permitted Holder (as defined in the Indenture), and (iii) add to, amend, supplement or change certain other defined terms contained in the Indenture and the Notes related to the foregoing (collectively, the “**Proposed Amendments**”). As a result of receiving the Requisite Consents, the Issuer will not be required to make a “Change of Control” offer for the Notes if the Transaction is consummated and the Proposed Amendments become operative.
