Third Quarter 2013 Outlook

For the third quarter of 2013, we are projecting total revenue to increase 0% to 2% over third quarter 2012 total revenue of \$56.7 million. The growth is impacted by strong political revenue of \$1.5 million in the third quarter of 2012. Excluding that revenue, we would project revenue to increase 3% to 5%. We are also projecting operating expenses before gains or losses on disposal of assets, impairment losses and stock-based compensation expense to increase 1% to 4% as compared to the third quarter of 2012 operating expenses of \$47.4 million.

Regulation G

Station operating income, Internet operating income and publishing operating income, EBITDA and Adjusted EBITDA are financial measures not prepared in accordance with generally accepted accounting principles ("GAAP"). Station operating income is defined as net broadcast revenues minus broadcast operating expenses. Internet operating income is defined as Internet revenue minus Internet operating expenses. Publishing operating income is defined as publishing revenue minus publishing operating expenses. EBITDA is defined as net income before interest, taxes, depreciation, amortization and change in fair value of interest rate swaps. Adjusted EBITDA is defined as EBITDA before gain or loss on the

disposal of assets, impairment of indefinite-lived long-term assets including goodwill, impairment of long-lived assets and non-cash compensation expense. In addition, Salem has provided supplemental information as an attachment to this press release, reconciling these non-GAAP financial measures to the most directly comparable financial measures prepared in accordance with GAAP. The company believes these non-GAAP financial measures, when considered in conjunction with the most directly comparable GAAP financial measures, provide useful measures of the company's operating performance.

Station operating income, Internet operating income and publishing operating income, EBITDA and Adjusted EBITDA are generally recognized by the broadcast industry as important measures of performance and are used by investors as well as analysts who report on the industry to provide meaningful comparisons between broadcast. Station operating income, Internet operating income and publishing operating income, EBITDA and Adjusted EBITDA are not a measure of liquidity or of performance in accordance with GAAP, and should be viewed as a supplement to and not a substitute for, or superior to, the company's results of operations presented on a GAAP basis such as operating income and net income. In addition, Salem's definitions of station operating income, Internet operating income and publishing operating income, EBITDA and Adjusted EBITDA are not necessarily comparable to similarly titled measures reported by other companies.
