Intellinetics Introduces New Employee Onboarding Automation Solution at Ohio Provider Resource Association Fall Conference

IntelliCloud™ digital forms solution automates and transforms employee new hire process

COLUMBUS, Ohio, Oct. 25, 2022 (GLOBE NEWSWIRE) -- [Intellinetics, Inc.](#), (NYSE American: INLX), a provider of solutions and services that enable and accelerate digital transformation, is proud to be presenting a new Employee Onboarding Automation Solution at the [Ohio Provider Resource Association](#) (OPRA) Fall Conference in Columbus, OH on October 27, 2022.

Users of Intellinetics' flagship IntelliCloud™ Document Management Platform can now replace paper forms with a comprehensive digital solution that streamlines the creation, distribution, completion, and processing of business forms such as employee onboarding packages. This solution eliminates mundane tasks, improves data accuracy, increases employee retention rate, and helps new hires achieve target productivity sooner.

Intellinetics representatives Matt Chretien, Chief Strategy Officer, and Gary Van Buhler, Director of Strategic Partnerships, will lead a presentation outlining the need for automating the employee new hire process and how using digital forms and information management tools to enhance workflows and collaboration across departments solves common problems in employee onboarding and retention.

"We continue to deliver mission-critical solutions within the Human Services industry," said James F. DeSocio, President & CEO of Intellinetics. "The national workforce crisis is impacting nearly all employment sectors, causing uncertainty for many people, and it is especially difficult for individuals with intellectual and developmental disabilities who depend on a workforce for their everyday needs. We are proud to collaborate with OPRA to introduce innovative technologies that enable I/DD service providers to recruit and retain the number of qualified staff required to provide service for those in their care."
