Amesite Inc. to Present at Zooming with LD Micro on Thursday Oct. 29

Amesite CEO Dr. Ann Marie Sastry to discuss learning markets and how Amesite addresses key market needs.

ANN ARBOR, Mich., Oct. 28, 2020 /PRNewswire/ --**Amesite Inc.** (Nasdaq: AMST), an artificial intelligence software company providing online learning ecosystems for business, higher education, and K-12, announced today its CEO, Dr. Ann Marie Sastry, will be presenting at **LD Micro's** next Zooming with LD event on Thursday, October 29 starting at 11 a.m. ET/8 a.m. PT. Sastry will be presenting on today's learning markets, Amesite's technology and posture and discussing next steps for the groundbreaking software development company with investors from around the Country.

"This is a tremendous opportunity to meet with investors and share our story about how Amesite is reimagining remote learning and training, to prepare people for work in the new economy," Sastry said.

Investors and any other individuals interested in attending the event may access the virtual presentation by registering here: [Link](#)

About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. What started out as a newsletter highlighting unique companies has transformed into several influential events annually (Invitational, Summit, and Main Event). In 2015, LDM launched the first pure microcap index (the LDMi) to exclusively provide intraday information on the entire sector. LD will continue to provide valuable tools for the benefit of everyone in the small and micro-cap universe.

Forward Looking Statements

This communication contains forward-looking statements (including within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and Section 27A of the Securities Act of 1933, as amended) concerning the Company, the Company's planned online machine learning platform, the Company's business plans, any future commercialization of the Company's online learning solutions, potential customers, business objectives and other matters. Forward-looking statements generally include statements that are predictive in nature and depend upon or refer to future events or conditions, and include words such as "may," "will," "should," "would," "expect," "plan," "believe," "intend," "look forward," and other similar expressions among others. Statements that are not historical facts are forward-looking statements. Forward-looking statements are based on current beliefs and assumptions that are subject to risks and uncertainties and are not guarantees of future performance. Actual results could differ materially from those contained in any forward-looking statement. Risks facing the Company and its planned platform are set forth in the Company's filings with the SEC. Except as required by applicable law, the Company undertakes no obligation to revise or update any forward-looking statement, or to make any other forward-looking statements, whether as a result of new information, future events or otherwise.
