Actuant Announces Pricing of Common Stock Offering

MILWAUKEE--(BUSINESS WIRE)-- Actuant Corporation (NYSE:ATU) announced today that the public offering of 9,500,000 shares of its class A common stock has priced at \$12.00 per share. The offering includes a 30-day option for the underwriters to purchase up to an additional 1,425,000 shares to cover over-allotments, if any.

Assuming no exercise of the underwriters' over-allotment option, Actuant expects to receive net proceeds from the offering of approximately \$108 million after deducting underwriting discounts and commissions and estimated expenses of the offering. Actuant will use the net proceeds from the offering to reduce indebtedness.

Actuant has filed a registration statement (including a prospectus) with the Securities and Exchange Commission for the equity offering to which this communication relates. A final prospectus supplement relating to the offering will be filed with the Securities and Exchange Commission. Before you invest, you should read the prospectus in that registration statement and other documents Actuant has filed with the Securities and Exchange Commission for more complete information about Actuant and the equity offering.
