Forward-Looking Statements

This press release may contain certain forward-looking statements which include, or may include, words such as "will", "believe", "future", "expect", "foreseeable", "expected", "to be", "estimated", "assumes", "would provide", and other similar expressions (or their negative). Forward-looking statements contained in this press release include, but are not limited to, statements about our participation in the KeyBanc Capital Markets Life Sciences & MedTech Investor Forum.

The forward-looking statements in this press release are based on numerous assumptions regarding the Company's present and future business strategies and the environment in which the Company will operate in the future. These forward-looking statements speak only as at their dates. Stevanato Group undertakes no obligation to update any forward-looking statement or statements to reflect events or circumstances after the date on which such statement is made or to reflect the occurrence of unanticipated events. New factors emerge from time to time, and it is not possible to predict all of these factors. Further, Stevanato Group cannot assess the impact of each such factor on our business or the extent to which any factor, or combination of factors, may cause actual results to be materially different from those contained in any forward-looking statements. Readers should therefore not place undue reliance on these statements, particularly not in connection with any contract or investment decision.
