Skillsoft to Host an Exclusive Live Virtual Event Featuring Organizational Leadership Expert Patrick Lencioni

Pat Lencioni will present on organizational health live from San Francisco on September 26, 2012; one of many leadership development resources available from Skillsoft

NASHUA, N.H.--(BUSINESS WIRE)-- [Skillsoft](#) today announced that [Patrick Lencioni](#), acclaimed author of "The Advantage: Why Organizational Health Trumps Everything Else in Business," will conduct a live virtual event entitled "Healthy Organizations Win: How to Harness Your Organization's Maximum Potential," from San Francisco on September 26, 2012. This [live](#), interactive event is one example of the many leadership development resources available when, where and how people want to learn, through Skillsoft's [Leadership Development Channel](#), [50 Lessons](#) and [Skillsoft Leadership Advantage](#). Skillsoft is making the exclusive event available to a limited number of executives.* Those attending the 90-minute live webcast will have an opportunity to submit questions via email and Twitter and interact with peers from around the world.

Lencioni, whose books have sold more than three million copies worldwide, coaches organizations to operate smartly and healthily by encouraging them to minimize confusion and politics and foster true productivity and commitment in their employees. In Lencioni's presentation, audience members will learn how to maximize their potential in the context of real business issues and organizational challenges. Attendees will take away practical and relevant strategies that can be implemented to help their organizations become healthier and more successful.

"We are excited and proud to collaborate with Patrick Lencioni on this special live event," said Shawn Hunter, Executive Producer of Skillsoft's Leadership Development Channel and 50 Lessons. "Patrick's reputation as an energizing leader in the organizational development field makes him a valuable ally to any organization. This event will give participants unique access to his expertise and insights on organizational health and building effective teams."
