Skillsoft Named to “2012 Top 20 IT Training Companies” List by TrainingIndustry.com

Skillsoft recognized as industry frontrunner for comprehensive IT learning solutions and certifications

NASHUA, N.H.--(BUSINESS WIRE)-- [Skillsoft](#) today announced that [TrainingIndustry.com](#) has named the company to its “[2012 Top 20 IT Training Companies](#)” list for its broad range of IT skills training and certification solutions. Skillsoft provides IT professionals with in-depth coverage of today’s relevant technologies and IT skills through interactive courses, reference collections, mentoring and certification exam preparation support. This recognition further exemplifies Skillsoft’s role as a pioneer in the learning field with a long history of innovation. Skillsoft provides cloud based learning solutions for its customers worldwide, ranging from global enterprises, government, and education to mid-sized and small businesses.

“Being recognized as a ‘2012 Top 20 IT Training Company’ is a testament to the breadth, quality and accessibility of Skillsoft’s IT courseware and learning content,” said John Ambrose, senior vice president, strategy, corporate development and emerging business, Skillsoft. “We strive to create and provide the highest-quality learning experience and are honored to receive recognition for our efforts from one of the leading training industry organizations.”

[TrainingIndustry.com](#) acknowledged Skillsoft earlier this year for its content development and learning portal capabilities, naming the company to its “[Top 20 Content Development Companies](#)” and “[Top 20 Learning Portal Companies](#)” lists. Skillsoft has also garnered recognition for its leadership development training for the past three years on the [TrainingIndustry.com](#) “[Top 20 Leadership Training Companies](#)” list.

[TrainingIndustry.com](#)’s judges look at the following criteria when compiling the Top 20 Training Companies list:

- Leadership and innovation in IT training
- Breadth of IT training and delivery methods offered
- Company size and growth potential
- Strength of clients
- Geographic reach
